

Our TEACHERS

Teachers are the key to a great educational day care experience. Through every experience and activity they demonstrate enthusiasm, honesty, dependability, creativity and encouragement. At Park Place Children's Center we are proud to say that our teachers show these qualities everyday!

Parent/Teacher Relationship

One of the biggest factors in the educational success of your child is your relationship with their teachers. At Park Place Children's Center you will find our teachers and administration are eager for an open relationship with you and willing to work out the best options for your child.
